

Seacroft Green

Key facts summary

Key information

- Number of rooms:** 75 rooms.
- Home manager:** Jennie Fieldhouse
- Regulation:** We are registered and regulated by the Care Quality Commission (CQC), the independent regulator of health and social care in England. Our current rating is **Requires improvement** (September 2021).
- Care types:** We provide residential, dementia, nursing, complex care for working age adults, respite and rehabilitation.
- Staffing:** The home is run by a General Manager who is supported by a leadership team, comprising leads in care, maintenance, housekeeping and wellbeing. We regularly review staffing levels and adapt them to resident needs. We use a dependency tool to help us make informed decisions about how many staff we need each day, based on the number and needs of residents. Our General Manager can provide further information about staffing arrangements if required.
