

Harcourt Gardens

Key facts summary

Key information

Number of rooms: 105 rooms.

Home manager: Jill Pollard

Regulation: We are registered and regulated by the Care Quality Commission (CQC), the independent regulator of health and social care in England. Our current rating is **Good** (November 2022).

Care types: We provide residential, dementia, nursing, respite and end of life care.

Staffing: The home is run by a General Manager who is supported by a leadership team, comprising leads in care, maintenance, housekeeping and wellbeing. We regularly review staffing levels and adapt them to resident needs. We use a dependency tool to help us make informed decisions about how many staff we need each day, based on the number and needs of residents. Our General Manager can provide further information about staffing arrangements if required.

Weekly fees

Residential care from £1,650

Residential care luxury suites from £1,860

Our residential care packages include person-centred, digital care plans as well as access to our complete care packages.

Residential dementia care from £1,785

Our dementia care plans are tailored to support individuals living with dementia. Residents will benefit from person-centred, digital care plans, access to the homes amenities and tailored activities programme.

Nursing care from £1,835 + FNC

Our nursing care packages are similar to our residential care packages, but with the addition of 24/7 care and support from our qualified nursing team. Residents will benefit from person-centred, digital care plans and our complete care packages.

These prices will depend on the room you choose and the level of care that you need. They are only a guideline and are stated before Funded Nursing Care.
