

Seacroft Grange

Key facts summary

Key information

Number of rooms: 95 rooms.

Home manager: Eve Moran

Regulation: We are registered and regulated by the Care Quality Commission (CQC), the independent regulator of health and social care in England. Our current rating is **Good** (November 2022).

Care types: We provide residential, dementia, nursing, care and support for working aged adults, respite and end of life care.

Staffing: The home is run by a General Manager who is supported by a leadership team, comprising leads in care, maintenance, housekeeping and wellbeing. We regularly review staffing levels and adapt them to resident needs. We use a dependency tool to help us make informed decisions about how many staff we need each day, based on the number and needs of residents. Our General Manager can provide further information about staffing arrangements if required.
